In May, all residents of Shawnee who are registered voters will be asked whether they would like to approve a mill levy increase to fund the building and operation of a new community center east of Woodland Drive at 61st Street. We have been working to make sure that you, the voters, can make an informed decision when you get that ballot in the mail.

The Governing Body and City staff want to help create a community that **YOU** want. That is why we are providing a mail-in ballot that will be sent to every registered voter in Shawnee. This will ensure every registered voter has the opportunity to vote on this issue that would impact every resident in one way or another. We are here to answer your questions as you weigh this decision.

After you've finished checking out all fun on the Parks and Recreation side, be sure to flip this over and read our full article about the proposed community center on the other side of this CityLine.
