Fall 2020
October - December

THANK YOU!

Dear Shawnee Parks & Recreation Family,

Your health and safety is our number one priority and this has never wavered for Shawnee Parks & Recreation. This priority has driven some difficult decisions and sparked innovation on how we provide programs and services. More than ever before, Shawnee residents need fresh air, open spaces, recreational opportunities and the beauty of nature. We are committed to continue to offer well-kept parks, engaging virtual programming and safe in person activities.

Currently, masks are required in all city facilities, including the Shawnee Civic Centre and during recreational programs. Maximum capacity in programs and private rentals has been dramatically reduced to allow for ample social distancing. Each individual entering the Shawnee Civic Centre can anticipate a quick health assessment with a temperature check. Social seating areas have been removed and families are asked to limit the number of people responsible for drop-off and pick-up.

As we move through the next few months we will continue to monitor the situation and follow the guidelines of the CDC, County and State. Things may change and we will keep you updated though emails, social media and at cityofshawee.org. Be sure to follow us on Facebook, Instagram and Twitter for up to date information.

We want to thank you for your participation, support and feedback throughout the ongoing process of acclimating to the COVID-19 pandemic. As we continue to adjust we look forward to innovating new ways for you and your family to explore, engage and connect.

Stay active and stay well,

Neil Holman
Director of Parks & Recreation

Tonya Lecuru
Deputy Director of Parks & Recreation
