Type of unit in use: _____

- NO Smoking allowed within 50 feet of any location where explosives are being handled or stored; includes no matches, fire, or flame of any type.
- During the time of loading holes, the blast site shall be barred to all but those authorized persons engaged in the drilling and loading operations or otherwise authorized to enter the site for specific connected reason. The blast site shall be guarded and posted.
- Post City blasting permit in a visible location on site; An approved blaster on file with this office must be present during all blasting activity and present certificate authorization and photographic identification upon request by the authority having jurisdiction on site. Please report a loss of blasting permit to this office immediately.
- The authority having jurisdiction shall have the right to enter construction/blasting sites before, during, or after blasting.
- False information provided to this office on this application sheet will result in revocation of permit and the site closed by the authority having jurisdiction.
- The person(s) in charge of blasting on site must follow all city and state requirements. Any person, or company, found not following requirements will have permits revoked and the site closed by the authority having jurisdiction.
- Blasting permits will be issued by this office for 30 day periods only. Any time a magazine(s) is moved or an addition/change in blasting material is made, the initial permit will become null and void, therefore another application must be made, **including all original fees.**
- Completed applications and other required documentation shall be submitted electronically for review. Please allow up to two weeks for completion of blasting permit. Blasting permits will be issued upon appropriate review by this office. Applicants will be notified via email that their permit is ready and will be released upon payment of permit fee at Shawnee Fire Department Headquarters, 6501 Quivira Road, Shawnee, Kansas 66216.
- Further questions or information may be directed to the Shawnee Fire Department, Fire Prevention Inspection Bureau, Monday through Friday, 8:00 a.m. to 5:00 p.m., (913) 631-1080. Emergency situations should be directed to 911.
